The secretary's office is always there for you. It is in building A, first floor.

6. How do I get to school?

Check out google maps, ask in the secretary's office if you have problems finding out your bus number and departure times. This is a helpful app: DB Navigator. You can enter the school (Gymnasium Georgianum, Kardinal-von-Galen Str. 7-9, 49809 Lingen) as your destination. It is honestly just easier to ask students in your class or the people you spend time with.
